

BACK THE RED & BLACK!

Investing in Excellence

Argyle ISD faces a **\$1.3 million cut** to its funds over the next 2 years due to the Texas budget crisis. *This deficiency greatly impacts our teachers, school programs & every student.*

The Argyle Education Foundation is launching the 2011 **BACK THE RED & BLACK** campaign benefiting the students and staff of Argyle Independent School District.

This fundraising campaign seeks financial support from individual and corporate donors with an interest in supporting excellence in our classrooms. Since 2003, thanks to your generous donations, the Argyle ISD Education Foundation has granted over \$500,000 which has impacted all students in AISD. With recent cut backs from the budget, it is important for the Foundation to continue its role in providing funds for educational programs not covered by the District's normal operating budget.

Please show your support!

Your contributions help benefit:

Grants-To-Teachers • Campus Site Grants • Teacher Enrichment Grants • Student Enrichment Grants
Scholarships • New Teacher Grants • Special Education Funds • Teacher Excellence Award
Teacher and Staff Appreciation Events • Every student in AISD

Please cut out and complete this form, then mail to the AISD Education Foundation with your contribution by December 31, 2011 for recognition & discount to BDA.
